Supporting employment services and outcomes for people with intellectual disabilities

## SUMMER INTENSIVE COURSE: IMPROVING EMPLOYMENT OUTCOMES FOR INDIVIDUALS WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

IT'S EMPLOYMENT is pleased to announce an online, instructor-led course to support vocational rehabilitation staff and related partners in facilitating improved employment services and outcomes for individuals with intellectual disabilities who receive services through vocational rehabilitation agencies.

**Our Summer Intensive Course will run from June 28, 2021 through September 3, 2021.**

In this course, you will learn important knowledge and skills to effectively support job seekers with intellectual disabilities throughout the employment process. You will have opportunities to interact with instructors and other participants through discussion boards, field work assignments, reflections on best-practices, and opportunities for practical applications.

We will introduce a new course module each week. You can work through each module at your own pace, but you **MUST COMPLETE** all coursework by **SEPTEMBER 3, 2021**. The Summer Intensive Course includes the following modules:

- » Competitive Integrated Employment: Establishing Expectations
- » Cultural Humility and Family Engagement
- » Learning About an Individual and Building A Career Plan
- » Business Engagement Practices and The Dual-Customer Approach
- » Planning for Job Success
- » Transition Services and Coordination to Support Competitive Integrated Employment
- » Supporting Financial Literacy and Well-Being

**You can register for this Summer Intensive Course starting on May 17, 2021.**

This course is free of charge. It is worth 24 CRCC credits (19 general and 5 Ethics credits). You can receive CRCC credits when you complete this course.

We encourage states to convene collaborative learning teams, but each participant must register individually.

**Register here: <https://tinyurl.com/d65ybwff>**

**Registration closes on June 23, 2021\***

\*PLEASE NOTE: enrollment is limited and available on a first come, first-serve basis. We may have to close registration before June 23.

ITS EMPLOYMENT is a project of Explore VR at the Institute for Community Inclusion to support improved vocational rehabilitation services for individuals with intellectual disabilities. This innovative training grant is funded by the Rehabilitation Services Administration (H263C190011).
